

Fireside Festivities

The Campfire Sing-along

A group activity that's warm and friendly!

You've just finished a long day of meetings and you are pleasantly stuffed after a delicious meal. This is the perfect time to bring your team together for Fireside Festivities, a group activity that is fun, entertaining and interactive.

No talent required! Our skilled musicians and trained teambuilding professionals will lead your group in an old-fashioned campfire sing-along. In this supportive and fun environment all of your guests will have the chance to re-live their camp days and unleash their inner rock star.

The activity will be facilitated by our Lead Musician & Activity Leader, who will help your group create various rhythms, harmonies and encourage musical contribution from each participant. The Activity Leader gathers the group, introduces the musicians, and hands out the song sheets, flashlights and marshmallows so the guests can get the complete campfire experience. If desired, your group will have a chance to create a custom theme song tailored to your event.

All you have to do is supply the audience and a venue with a fire pit – we'll supply the rest!

Perfect for: Post-conference, meeting or program teambuilding activity for groups of up to 60 guests.

Paradigm Events: We plan more than just spectacular events...we create experiences!

Program length: 1 – 2 hours

This activity will bring your team together with a unique experience that they won't soon forget.

This jam-packed program, which runs from one to two hours, includes:

- Lead performer/Activity Leader
- Professional Musicians (approx. 1 per 15 guests)
- Extra guitars for the guests to play
- Various instruments for all the guests
- Customized song list for your group
- Song sheets for everyone
- Marshmallows
- Flashlights
- Egg shakers for each guest to keep
