

An Interactive Awards Show That Shines the Spotlight on Your Team!”

Ever sing into a hairbrush in front of the mirror? Ever wail on your trusty air guitar? Do you find it hard to resist a drum solo when presented with a pair of chopsticks? Well, this unique awards show is for you. It will transform your team into musical icons, giving them the chance to present and accept awards...and even perform live musical tributes onstage alongside professional musicians (using air instruments or the real thing)!

From the flashing cameras of the paparazzi, to the surprise performances of music legends to the gleaming awards – experience firsthand what it’s like to be a celebrated musician!

Each table will be assigned an award-winning identity (The Beatles, the Rolling Stones, ABBA to name but a few) and each guest assigned a band role or icon – from band member to producer to management. Costume enhancements in the form of signature accessories (think Michael Jackson’s glove or Elton John’s glasses) will be provided. Each group will have assigned roles in the awards show, which could include anything from introducing an award category, award nominee, performing in an air band or receiving a lifetime achievement award.

Inclusive and 100% voluntary: you guests don’t need to perform onstage to get involved!

Just like the real deal, the event features all the key award show elements: a star studded host, a model ushering guests on and off the stage, surprise performances, awards, musical tributes and over-the-top acceptance speeches and much more!

Rock the Red Carpet!

All you have to do is supply the AV, audience, venue, the food and beverage... we’ll take care of the rest!
